Credit Card EMI Options

- Available for all major banks credit card.

Reference Image: Trendy Explore Payment Gateways

The screenshot displays the Trendy Explore payment gateway interface. On the left, a 'Payment Request from Trendy Explore' card shows details for a payment of ₹ 10,000.00 for an 'Exotic Bali Tour 6N/7D' by Mr. Nitin Patel. The receipt number is Trendy03. The interface is powered by Razorpay. On the right, a blue header identifies the merchant as Trendy Explore with a transaction ID and the amount ₹ 10,000. Below this, a navigation bar shows 'EMI' and a phone number. A 'SELECT AN OPTION' section lists four EMI providers: EMI on Cards, InstaCred Cardless EMI, ZestMoney, and EarlySalary. A ZestMoney banner at the bottom offers '0% Interest available'. The footer includes logos for VISA, Mastercard, and PCI compliant, along with the Razorpay logo and a link to create payment links.

It is as simple as that, once you fill in the all required details you will be given how much EMI (Equal Monthly Installment), you need to give the installment amount to the bank every month, in order to repay the EMI to the Bank. EMI interest will bear by the customer himself.

Transaction charges via Trendy Explore Payment Link. Payer (sender of the payment) will bear all of the payment transaction charges

- Net Banking - INR 15
